

# Smashing Chintz Mosaic Workshops at Lewisham Arthouse

Smashing Chintz mosaic workshops are run by Janine Nelson from her studio at Lewisham Arthouse. They are an opportunity to explore a range of mostly recycled materials in a relaxed and friendly studio environment.

## Janine Nelson

Janine makes her Smashing Chintz range of mosaics using recycled crockery which she sells at Craft Fairs and through shops and galleries. She has been based at Lewisham Arthouse since 1997. Classes are run from one of her two studios. Janine has also run mosaic workshops at the Barbican and The Make Lounge as well as in primary and secondary schools.

## Lewisham Arthouse

Lewisham Arthouse is an artist run organisation based in the former Deptford Library in south-east London. A grade II listed Carnegie building, it now consists of studios for approximately 45 artists, a gallery and a workshop space. Transport links are good and include buses and trains. Nearest stations are New Cross and New Cross Gate.

Make a special and unique mirror frame incorporating a personal selection of objects.
